

# AVID = your partner

## Home building experts - design and more

You need more than a designer to plan your new home. With all of the new innovations in building materials, new energy codes and rising costs of all phases of construction, you need an expert to make your home plans the best they can be.

But home plans are just a part of your project. A true partner can provide more than just a good home plan. You need a partner that can provide expert support in all aspects of home building. AVID is that partner and provides added services that include:

- Promotions
- Market support
- Whole house model analysis
- Best building practices
- Material specification & take-offs
- Green building
- Home design
- Material specifications

## The partnership

Your project deserves more than a home designer. Choose a partner for your project that delivers the most value to you. Choose AVID Home Studios.
