

Customized Builder Pages

Online exposure

Increase your web presence with an AVID builder page. Customized with your logo, colors, contact information and more, this one page web site is perfect to introduce your company to the online community, worldwide. Graphics, pictures, files and more can be uploaded from your existing site and used throughout your page.

Save your favorites

You can save all of your favorite AVID home plans on your personal web page for quick and easy reference. Save as many as you like. Your customers can easily review the plans you are building without having to search through AVID's extensive library.

Unique URL

Generate a unique link to your builder page and automatically send it to your customers and prospects. With the AVID builder page you can promote your site via E-mail with a simple click of the mouse. Customers can simply click on the hyperlink they receive in their in-box and navigate directly to your personal page.
