

POP Display

Point-of-purchase ("POP") displays are effective in high traffic areas. Ideal for showrooms, meeting places or anywhere people gather, this POP display is sturdy, rugged and eye catching.

Nine different brochure slots are available to display a number of different floor plans and layouts tailored to meet your market needs. Choose from over twenty different brochures that sort AVID home plans into a variety of categories including square footage, mountain homes, 2x6 framing, log homes, and more. Each brochure includes more than 20 pages of home plans. Each page features a front rendering and floor plan layout of each design.

Customize

Kiosks can be customized with your logo, graphics, colors and contact information. Customized literature or fliers can be developed to promote the variety of homes that you build. For a truly professional look, ask about the AVID kiosk customizing services.

AVID Market Managers are your local connection to AVID. These skilled representatives live in your area and understand your market tailoring AVID products and services to your specific needs.
